

2018 – 2019

Dear OLOR Families,

This school year we will be communicating all OLOR School News via **WhatsApp**. Please provide our Computer Lab teacher Mrs. Benavides with a contact phone number that we can use for our OLOR School WhatsApp group. The WhatsApp communication is strictly for outgoing messages. We respectfully ask that recipients do not comment or respond to any school messages sent. **Please** add Mrs. Benavides's phone number to your phone contacts list to be able to receive school messages (830-776-1812).

Thank You and God Bless,  
Mrs. Katrina Harper
